

Consent Letter

The Embassy of the I. R. of Afghanistan in London has received your application for Visa/Legalisation to Afghanistan and would like to request your consent for the issuance of the visa.

As part of our standard procedure, we require explicit consent from the applicants before proceeding with Visa/Legalisation issuance process. This ensures that you are fully aware of the terms, complex political conditions associated with obtaining Visa/Legalisation, and it or may not enable you to get entry into Afghanistan. Therefore, you are aware and authorize us to proceed.

Note: fee for the Visa/Legalisation is non-refundable.

I _____ acknowledge that I have considered such advisories and accept any associate risks.
